### Environmental Policy

#### Statement of Intent

Hutton & Cawood Building & Joinery Ltd recognises the need to operate the business in a manner which reflects good environmental management. The company is aware of the environmental impacts of its operations and will balance its business with the need to protect the local and global environment.

Our Environmental Policy shall earn the confidence of employees, shareholders, customers and the general public by demonstrating our commitment to comply with all relevant environmental legislation and minimise pollution, resource use and waste, where feasible, through the continual improvement of performance in all areas of the Company.

The Company have demonstrated a commitment to identify all activities that have the potential to cause an environmental impact, as well as providing adequate resources to help minimise or prevent any negative impact.

#### Policy Aims

In order to achieve this commitment, we will: -

- Compliance with all relevant environmental legislation
- Identification and management of environmental risks and hazards and prevent pollution to land, air & water
- Reduction of emissions to air resulting from our activities (Carbon Dioxide (CO<sub>2</sub>), dust, transport)
- Ensure the efficient use of natural resources through waste elimination, minimisation and resource efficiency and where waste production is unavoidable, implement practices to divert waste from landfill, where practicable.
- Encourage the use of sustainable construction principles and raise awareness of these through provision of advice to our clients and subcontractors.
- Liaise with local communities and businesses so that contact can be made at the earliest opportunity to minimise disturbance and social impact
- Promote the co-operation of all our employees through training, consultation and awareness raising
- Monitor our environmental performance and use this as a basis for continual improvement
- Encourage our subcontractors and suppliers to utilise sound environmental practices and sustainable resources

This Policy will be communicated to all our employees and organisations working on our behalf, displayed at office, website and are made available to third parties.
